THAI NGUYEN UNIVERSITY	SOCIALIST REPUBLIC OF VIETNAM
THAI NGUYEN UNIVERSITY OF TECHNOLOGY	**Independence - Freedom - Happiness**
――――――――	――――――――――――
Number: /ĐHKTCN	*Thai Nguyen, February 22ⁿᵈ , 2021*
About: Scholarship offers for international students	

To: Whom it may concern

Thai Nguyen University of Technology (TNUT) is one of the oldest universities in engineering in Viet Nam. TNUT located is in the north of Vietnam, 75 km from Ha Noi capital, and 60 km from Noi Bai international airport. It is very convenient to travel from and to TNUT.

We would like to introduce to you about our university and to give you special scholarship offers for students from your country as bellows.

1. Name of the Institution

In Vietnamese: Trường Đại học Kỹ thuật Công nghiệp, Đại học Thái Nguyên. In English: Thai Nguyen University of Technology. Website: http://en.tnut.edu.vn/. Year of establishment: 1965. Number of students: 8464 Undergraduates 143 Graduates. Number of academics: 379 of which 19 Professors, associate professors, 57 PhD, and 303 others qualifications.

2. Brief Introduction about the Mission

Thai Nguyen University of Technology is dedicated to train high quality human resources in Engineering; scientific research; consulting, applying and transferring technology to meet the requirements of national sustainable development and international integration.

3. Training programs with scholarships

TNUT would like to offer scholarships to international students including: 10 Undergraduate Scholarships, 5 Masters Degree Scholarships, and 2 PhD Scholarships. The details are addressed as follows:

*** Undergraduate programs:**

I. Advanced programs (Study in English)			
No	**Programs**	**Apply Code**	**Scholarships in details**
1	**Mechanical Engineering** (All curriculums are imported from The State University of New York at Buffalo - UB, NY, USA)	7905218	English preparation class: - Tuition for one-year English class (if applicants do not neither hold Toefl at least 450 nor study highschool in English): 10 millions VND/year (~$450USD/year).
2	**Electrical Engineering**	7905228	Four year engineering program:

	(All curriculums are imported from Oklahoma State University - OSU, OK, USA)		- TNUT offers 100% tuition fee waiver for the last year with the internship and final thesis courses. - All students are offered at least 50% tuition fee waiver for the rest of study at TNUT as $45. USD/month or $225 USD/semester. - *All student still have opportunities to achieve many other scholarships at TNUT.*

II. Regular programs in Vietnamese

No	Programs	Apply Code	Scholarships in details

1	Mechanical Engineering	7520103	Vietnamese language preparation class for the 1st year:
			- Tuition for Vietnamese language classes: 5 millions VND/year.
			
			- Tuition for other undergrad programs (study in Vietnamese):
			  + Waiver 50% tuition for the first 4 years of study as:
			4years*10months*500,000VND/month = 20,000,000 VND (~ $860 USD) for the whole 5 years studying.
			  + Waiver 100% tuition for the last academic year with the internship and final thesis courses.
			
			- Tuition for re-take courses: If international students fails their classes, the only pay 50% tuition fees compared to Vietnamese students to re-take the classes.
			
			- *All student still have opportunities to achieve many other scholarships at TNUT.*

2	Material Engineering	7520309	
3	Mechanical and Motive Engineering	7520146	
4	Mechatronics Engineering	7520114	
5	Electrical Engineering	7520201	
6	Automation and Control Engineering	7520216	
7	Electronics & Telecommunication Engineering	7520207	
8	Computer Engineering	7480106	
9	Environment Engineering	7520320	
10	Construction Engineering	7580201	
11	Civil & Transportation Engineering	7580205	
12	Manufacturing Technology	7510202	
13	Automotive Engineering	7510205	
14	Electronics & Electrical Technology	7510301	
15	Technical Education	7140214	
16	Industrial Economics	7510604	
17	Industrial Management	7510601	

* Graduate programs:

I. Master's Degree

No	Programs	Apply Code	Scholarships in details
1	Mechanical Engineering	60520103	
2	Technical mechanics	60520101	

3	Electrical Engineering	60520202	TNUT offers 50% tuition waiver for international students with the details as:
4	Control Engineering and Automation	60520216	
5	Electronics Engineering	60520203	2years*10months*750,000VND/month = 15,000,000 VND (~ $650 USD) for the whole 2 years studying.
6	Mechanical and Motive Engineering	60520116	- Tuition for re-take courses: If international students fails their classes, the only pay 50% tuition fees compared to Vietnamese students to re-take the classes.
7	Telecommunication Engineering	60520208	- *All student still have opportunities to achieve many other scholarships at TNUT.*

II. Doctorate Degree

No	Programs	Apply Code	Scholarships in details
1	Mechanical Engineering	62520103	- TNUT offers 100% tuition waiver for PhD student.
2	Control Engineering and Automation	62520216	

In addition, international students are also offered the following support:
- Free dormitories, students only pay electricity and water bills based on meters.
- Free to borrow books and lectures for studying at the library.
- Free WiFi on TNUT campuses.

4. Miscellaneous

- TNUT canteen guarantees to offer meals from $0.5 to $1 (USD). Living expenses could be less than $100 USD per month.
- Water and electricity fees should be less $5/month/student.
- Health insurance: ~ $50 USD/year.

5. Physical facilities for foreign students

- The university has approximately 70 lecture halls with a seating capacity of 60 up to 200, so more than 4,000 students can have seats for study at the same time. All of the lecture halls are well-equipped with projectors, hi-tech sound system and other teaching tools.

- International library with an area of 2,400 m2 with comfortable reading rooms and a rich data warehouse. Every year, TNUT invests several billion VND to buy materials in English.

- Dormitory: There are 6 5-floor buildings in an area of 19,000 m2 with modern and comfortable design. Each room is well-equipped with beds for 6 to 8 students, power, water, and other support services. Network is provided to each room with 7 high-speed FTTH lines convenient for students to register for studying, doing exercises, contacting teachers via e-learning.

6. Application documents

Application Materials include: Registration form (see attachment), High school certificate of graduation, High school transcript, Health certificate, Birth certificate, A copy of passport and 4 pictures of size 4x6.

7. Contact

1. Assoc. Prof. Dr. Nguyen Tuan Minh - Director of International Training and Cooperation Center, Thai Nguyen University of Technology (TNUT) - Thai Nguyen University.

Tel.: (+84) 912673378, Email: nguyentuanminh@tnut.edu.vn.

2. Dr. Ngo Minh Duc – Vice Director of International Training and Cooperation Center, Thai Nguyen University of Technology (TNUT) - Thai Nguyen University.

Tel.: (+84) 978658291, Email: ngoduc198-tdh@tnut.edu.vn.

We are looking forward to welcoming your students at our university.

Thank you very much for your time and considerations.

.   **RECTOR**

                                                 Assoc. Prof. Dr. Nguyen Duy Cuong
